Re: Notice of Ex Parte – CC Dockets 96-262 and 94-1 Cost Review Proceeding for  
Residential and Single-Line Business Subscriber Line Charge Caps

Dear Ms. Dortch,

Today, Jay Keithley and I, on behalf of Sprint, met with Jordan Goldstein, Legal Assistant to Commissioner Copps, and Matthew Brill, Legal Assistant to Commissioner Abernathy in separate meetings. We presented and discussed the attached materials in support of Sprint's cost submission as well as Sprint's comments in this proceeding. The scheduled SLC cap increases are cost justified and justified by the legal and pro-competitive policy need to eliminate implicit subsidies.

In accordance with FCC rules, this letter is being filed electronically in the docket identified above. Please call me if you have any questions. Thank you.

Sincerely,  
/s/  
Pete Sywenki
